

## **Annapolis Heritage Society is Seeking Volunteers**

The Annapolis Heritage Society has a number of opportunities for volunteers this Summer. If you are interested in local history and would like to share your enthusiasm with visitors to our region, please email [ahs.curator@gmail.com](mailto:ahs.curator@gmail.com) to find out more on the positions listed below. All training provided. Masks and proof of vaccination are required. Help us tell our history!

**Sinclair Inn, Painted Room Interpreter/Greeter:** Greet visitors as they visit the Painted Room and Croscup Painted Parlor exhibit (opening in July). Ensure the security of the plaster paintings and provide a basic history on Nova Scotia's beautiful painted interiors.

**O'Dell House Museum Interpreter/Greeter:** Greet visitors as they visit the O'Dell House Museum and provide a general historic context of the house. Direct visitors to printed materials assisting them on self guided tours of the exhibits and ensure the security of the collections.

**Digital Photographic Collection Archive Project:** The Annapolis Heritage Society needs help with a new project to share its historic photograph collection with the world. Come help us scan these unique images, then arrange and describe the collection to make it more accessible. No experience needed. To learn more, please email Archivist and Project Manger, Heather Hawkins at [ahs.archival@gmail.com](mailto:ahs.archival@gmail.com). The AHS thanks the Documentary Heritage Communities Program @LibraryArchives for their funding support.
